

## POSITIONING

For musicians and music lovers alike who don't want to sacrifice sonic quality for style and comfort, the Samson Z35 bridges the connection from musician to audience. Leveraging our experience in studio monitor design, the Z35 provides a natural, flat response coupled with collapsible ear cups and high-quality protein leather pads for use in any environment.

## FEATURES

### Comfort

Sound quality means little if your headphones aren't completely comfortable. Compared with the Z25, the Z35 provides a higher-grade protein leather ear pad for additional comfort in any environment.

### Sound

Our goal when designing the Z-Series was to create a line of headphones that isn't overly hyped but plays to its ideal customer. The Z35 is true to this ideal. Its response is noticeably flat and natural, with clarity present throughout the line.

### Design

Extremely durable, yet lightweight, the Z35 headphones have a sleek, low-profile design with improved sound isolation, and collapsible ear cups that flip outward 90° for greater mobility.

## APPLICATIONS

- Music monitoring
- Recording
- Field audio, ENG (Electronic News Gathering)

## SPECIFICATIONS

Model .....	Z35
Type .....	Closed-Back Dynamic, Over-Ear
Sensitivity (@1kHz) db/W.....	94dB
Driver Size.....	40mm
Max Input Power @1kHz .....	500mW
Frequency Response .....	20Hz–20kHz
Accessories.....	1/4" Adapter, Carry Pouch
Cable Lengths.....	8' (2.5m)
Impedance.....	32Ω
Voice Coil Wire Type.....	Copper Coil
Type of Ear pads .....	High-Quality Protein Leather
Product Weight .....	0.6lb (273g)
Gift Box Dimensions .....	8.7" x 9.64" x 4.6" (221mm x 245mm x 117mm)
Gift Box Weight.....	1.5lb (685g)
Master Carton Quantity .....	6
Master Carton Dimensions .....	18.7" x 14.96" x 11.22" (475mm x 380mm x 285mm)
Master Carton Weight.....	11.26lb (5.11kg)
Master Carton Volume.....	1.816ft <sup>3</sup> (0.0514m <sup>3</sup> )
UPC.....	809164018698
